- 6 - Walking from Hunters Crossing to Lehns**
- 7 - 9 Macro Maps - Getting to Greenspring**

GREENSPRING OVERVIEW

2

Summary

Before you leave home

- Bring no more than two people. They should be at least 12 years old.
- Put your clock in a box that can be loaded onto a two wheeled cart to carry it through the hallways
- Be prepared to walk 250 or more yards - one way - with your clock.
- Bring your CELL PHONE so you can contact me or ask the desk at the main buildings to call me so I can come get you.

When you get to the Greenspring Campus

- Get a Visitor Parking Pass from the Guard House
- Follow a map/signs and try to park in front of Hunters Crossing Bld 7430. It is the closest VISITORS parking to our apartment. If that doesn't work park at the large lot labeled "W,V" on the parking lot map.
- Park only in visitor parking places - green lines on pavement.
- DO NOT park in RESERVED parking places
- Be sure and sign in at the desk of a main building when you arrive.
- Then walk to our apartment.

If you have problems call me and let's try to figure out solutions.

We live in 7452 - OAK HILL - Apt 218 in the lower left hand corner of the map.

NOTE: THERE IS NO VISITOR PARKING NEAR OH-218 SO DO NOT DRIVE THERE.

The first thing you will encounter when you arrive here is the Guard House

The guard will take down your name, your license plate number and ask you where you are going.

The correct answer is:

**VISITING LLOYD LEHN IN
OAK HILL APARTMENT 218**

Plan to park at Hunters Crossing

The guard will give you a visitor's parking pass to put on your dashboard. It has a map on the back for you to follow. Try to park in front of Bld 7430 -Hunters Crossing.

PARKING

WHERE NOT TO PARK

Most of the parking spaces in Greenspring are reserved for residents:

1) Residents pay a monthly fee to reserve a specific parking space. These spaces are clearly marked with a RED STRIPE on the pavement and sign on the curb that says RESERVED.

DO NOT PARK in any of these spaces. If the owner finds your car in his space he will call security and let them do their thing.

2) Many parking lots are reserved for residents. Most spots are RESERVED but a few of them are open to any resident.

WHERE CAN YOU PARK?

There are a reasonable number of parking lots which have VISITOR parking spaces.

The map on the next page shows these visitor parking areas with a white box around them. Not all the spaces in those lots are visitor spaces. Use the ones that are. They are usually grouped together in part of a residents' lot. Most but not all visitor spaces have green pavement markings.

WHERE SHOULD YOU PARK?

As Cuckoo Clock Hospital customer, you will probably be interested in only three of these areas:

Best Solution: This probably should work 90% of the time. Park in the visitors parking area in front of 7430 (Hunters Crossing - HC). After you park, walk into HC with your clock in the box. Sign in and walk to our apartment. See map on page 6.

If Necessary: park in the large lot multi-story lot shown as WV. It is for Greenspring staff and visitors. If you park there, call me and I will come and get you (walk or drive) and arrange for you to sign in at HC or TC. This will work 99% of the time.

Last Resort: if that doesn't work, park in one of the two parking areas in front of Town Center (TC). Once you are there you, go into TC. Sign in and call me. I will come and get you with my car. I can carry on two people and me. This will work 75% of the time.

5

GREENSPRING VISITOR PARKING SPACES

USE VISITOR SPACES IN WHITE BLOCKS ON MAP

BEST ANSWER - HC - walk

If Necessary - W,V LOT - walk or drive

LAST RESORT - TC or G - drive

Walking from Hunters Crossing to Oak Hill 218

6

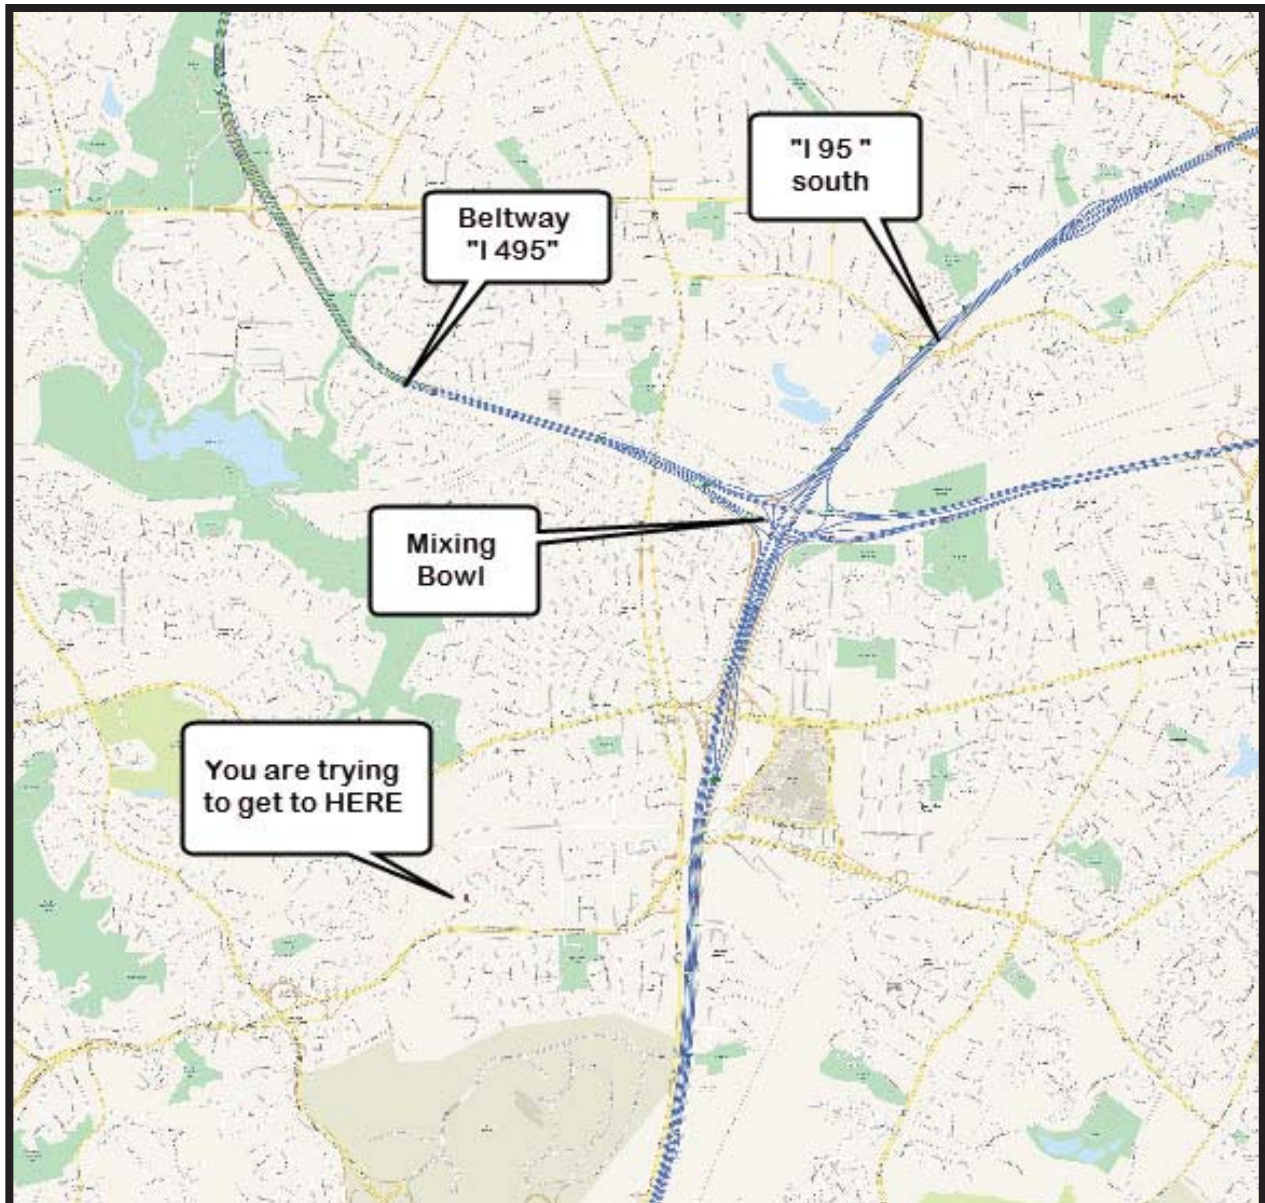

PART TWO

PURPOSE:

Provide an idea of where Greenspring is located and some idea of how to get there.

The following map shows the greater Springfield area and its relationship to the I 495 Beltway and the I 95 highway to Richmond.

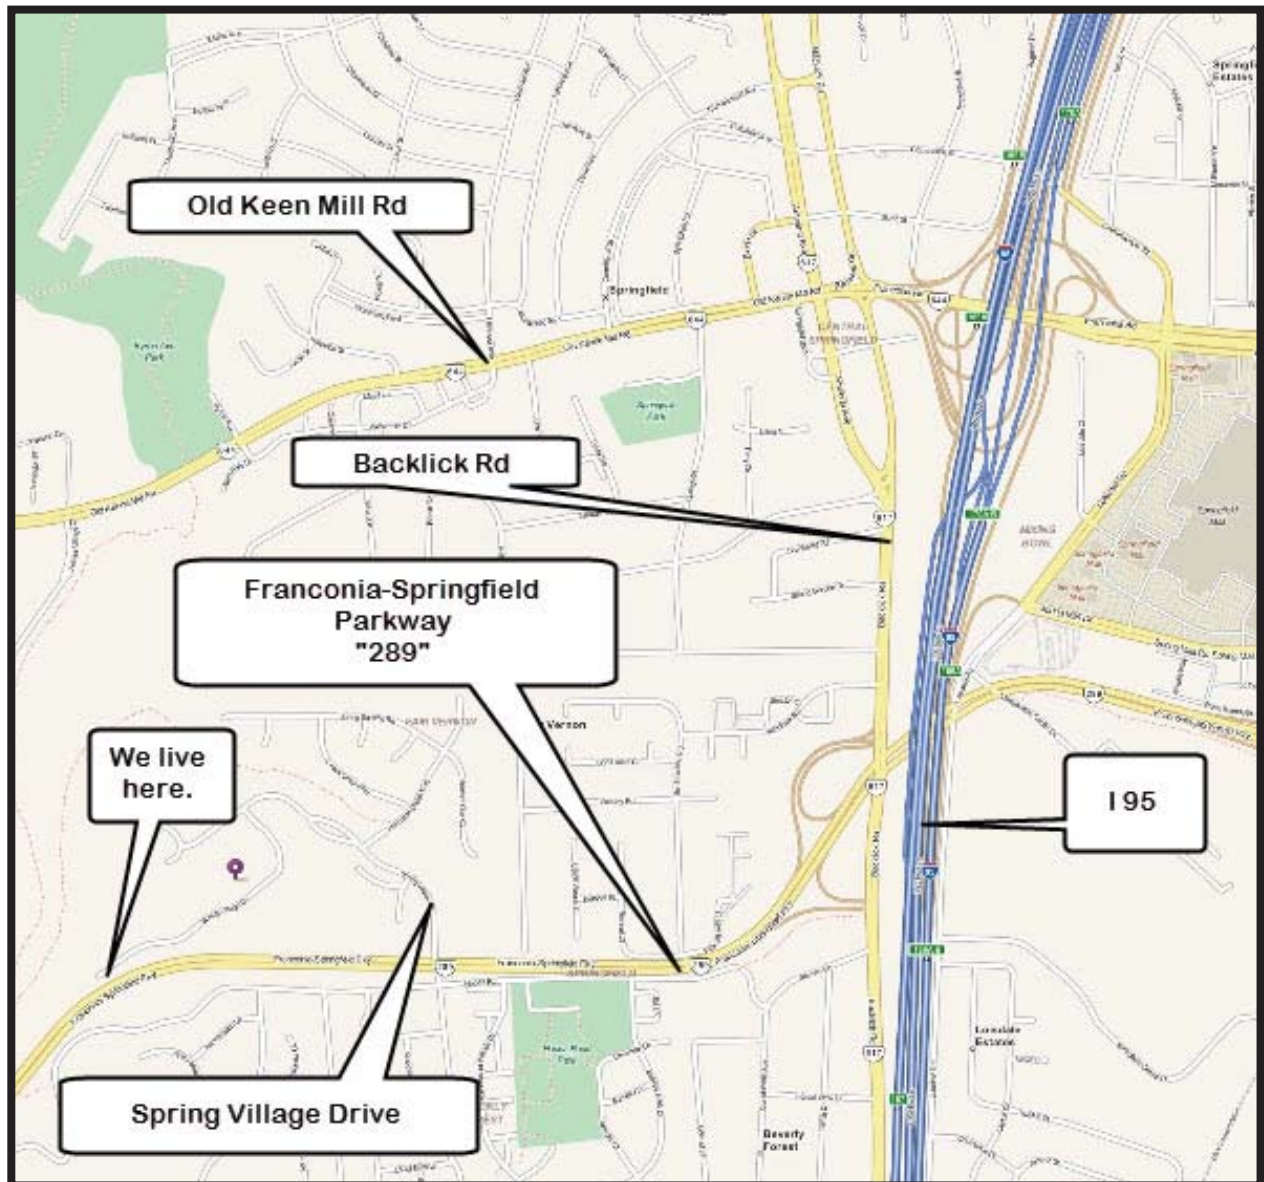

This map shows more detail.

Whether coming from the north or the south, the key roads to be aware of are:

- Old Keene Mill Rd,**
- Backlick Road,**
- Franconia-Springfield Parkway, and**
- Spring Village Drive.**

Spring Village Drive is the first right turn after entering the west bound Franconia-Springfield Parkway from Backlick. After turning on to SVD just keep driving straight ahead. There is one stop sign before you get to the Greenspring Guard House.
